

Malawi Newsletter Summer 2023

Welcome to our Malawi Newsletter for Summer 2023. Its aim is to let you know a bit about our link with Napache School and how we are fostering links between our two schools.

We have had a connection with Napache School for several years now. Although this faltered a little during Covid, we have been working hard to re-establish the links and make them more meaningful for the children in both schools.

We are working in conjunction with Starfish Malawi and Cathy from Starfish came in to give assemblies and work with Y5 & 3. Cathy is returning to Old Bexley next year to report on her trip to Malawi in May.

Have a look at some of the things that have happened this year!

We provide soap every month to support good hygiene. We also sent a container with books, pens, balls and much more!

Some of Year 5 sent videos explaining some of work and received videos back!

This amazing artwork was done by some children in Year 5- here it is arriving at Napache.

We have provided funds for a school office to be built at Napache. It is well on the way to being completed!

We even had a live link between some Y3 children and children in Napache! Our head boy & girl helped.

WATCH THIS SPACE FOR MORE NEWS NEXT YEAR!
